Dear Spartan Alumni and Friends,

Embrace the soul-stirring, romantic spirit of southern Spain on a seven-night adventure in Andalucía! We’ll make our home for the week in a first-class, modern pousada in Aracena, surrounded by serene countryside scenery with La Peña de los Enamorados, or Lovers’ Rock, in the distance. From there, we’ll embark on daily excursions to discover Andalucía’s unique heritage, a fascinating intermingling of cultures and religions. You’ll be filled with awe at the beautiful legacy of the Moors: the courtyard and fountains of the Alhambra in Granada; the iconic red-and-white fords of Sevilla; the courtyards and fountains of the Alhambra in Granada; the breathtaking view over El Tajo Gorge in Ronda; and an impassioned flamenco performance.

To help you fully appreciate Andalucía’s history and culture during your journey, our travel planners have meticulously selected knowledgeable local guides and built in a program of must-see sights. You'll also enjoy the flexibility of traveling in a small group while still having ample opportunities to explore on your own. Best of all, your very capable, professional Travel Director will take care of the details so that you can relax and enjoy the experience.
