2020 Scholarship Application

GRANDPARENTS

Uniting Spartan Generations

What is Grandparents University?

Grandparents University is a program for grandparents (or other special adults) and grandchildren (ages 8-12) to come together for a three-day educational experience while spending time together on the Michigan State University campus.

Participants enjoy the college experience of living in the residence halls, attending classes across campus and sampling the many highlights of MSU.

This program is self-supporting and relies entirely on the registration fees to cover all expenses. Faculty and instructors volunteer their time to conduct the classes.

Registration for Grandparents University is open to everyone and is on a first-come, first-serve basis, regardless of MSU affiliation.

Scholarships Available

A limited number of full scholarships are available to low-income families.

These one-time scholarships cover the registration rates for one adult and one child per family, and include the items listed as covered by registration.

Scholarships do not include travel expenses or other costs incurred by participants.

Please note: Those chosen to receive a 2020 Grandparents University Scholarship must still register for the program in the same manner as all other attendees. No specific class requests will be honored. Failure to register timely will result in a forfeit of the scholarship.

What's included?

Two nights lodging in a MSU Residence Hall, four special Grandparents University classes, unique Grandparents University t-shirt and swag items, seven meals in a MSU dining hall, evening programs, buses around campus and a lifetime of memories.
