A GUIDE TO BRAND BASICS

alumni.msu.edu
The following information can be used as a reference guide by your alumni club or affinity group when making graphics, marketing materials or promotional items that feature any of Michigan State University’s marks. By following the guidelines outlined within this booklet, you will be adhering to MSU’s brand guidelines and representing the university in a positive light.
ALUMNI CLUB WORDMARKS

In December 2014, the MSU Alumni Association provided all active alumni clubs with a university-approved wordmark. These marks were created in partnership with the university’s Communications and Brand Strategy (CABS) office and the University Licensing Programs office and can be used on promotional items, social media, websites and more.

To obtain your authorized alumni club wordmarks please visit the “File Share” tab in the Club Admin Panel. Located in your alumni club folder is a subfolder titled “Alumni Club Wordmarks” where you’ll find two versions of the mark (centered and left justified) in green, black and white.

Please note, when using these authorized wordmarks on promotional pieces, you will not need to secure additional approval from the university on the design. However, you will still need to use a licensed vendor for promotional items. Licensed vendors can be found using the licensing website at licensing.msu.edu/campus-use/find-a-licensee.html.

Authorized wordmarks cannot be combined with any other marks that your alumni club may currently have. If this is done, the mark will not be approved by the university or the licensing office.

The wordmarks provided to your alumni club have the proper registered trademark designation (TM) for use on promotional materials. This mark is not necessary for use on documents, brochures or other print materials and your alumni club can remove the TM symbol when using the mark on such items. The trademark designation must be present when working with a licensed vendor on promotional materials.
The Spartan helmet graphic is a simple, strong and iconic mark derived from the name of Michigan State University’s athletic teams.

The Spartan helmet should be used as the primary mark when creating graphics and promotional items for your alumni club.

Use approved, unaltered versions of the Spartan helmet which can be obtained from the university’s CABs website at brand.msu.edu/logos.

Please follow these rules when using the helmet:

A. This is the correct way to use the helmet.

B. Do not recreate the Spartan helmet.

C. Do not reverse the direction of the Spartan helmet, display in the right facing position only.

D. Do not alter the Spartan helmet to enlarge or reduce, except proportionally.

E. Do not use any other university logos.

F. Do not combine the Spartan helmet with, or place within, any other marks or graphic elements.

G. Do not display the Spartan helmet in colors other than the official MSU green, black or white.

H. Do not use the Spartan helmet to replace a letter in any name or word.
# MSU’s Brand Colors

Michigan State University has carefully selected a set of colors to represent MSU’s brand. The colors are broken down into two categories, primary and secondary. The primary colors, green and white, are to be featured prominently on all materials created for the university, while the 12 secondary colors should be used sparingly to support the primary colors.

## MSU’s Primary Colors

**PMS: 567**

If available, the PMS code should be used when working with promotional item vendors.

**CMYK: C:82 M:0 Y:64 K:70**

**RGB: R:24 G:69 B:59**

B. These are the correct club wordmarks.
OBTAINING PHOTOS

A number of alumni clubs use various types of photographs in their marketing materials and on their social media channels. As an extension of the university, it is extremely important that your alumni club is paying special attention to who owns the rights to the photos you’re using.

MSU PHOTOS

A large collection of MSU photos is available at no cost to download from the complimentary galleries section on the photos.msu.edu website. When checking out, you must enter the coupon code “msucomp.” This code only works with images within the complimentary gallery.

STOCK PHOTOS

When searching for other stock photos, use sites that offer clear language regarding usage rights. Photos must either be “copyright-free,” or “royalty-free” and “free for personal and corporate use.” Most photos that are not “copyright-free” will still require an initial purchasing fee. Please note that most photos will require an initially purchasing fee and some photos may also require you to credit the original photographer.

Some popular stock photo sites include dreamstime.com, shutterstock.com and 123rf.com.

Do not take photos that you find on the web without permission. Photos should not be added to your website or marketing materials as if they are your own original photos. If you have permission to use a photo, please be sure to credit the original photographer in any location where the photo is being used.

Follow these steps to download MSU photos:

1. Go to photos.msu.edu and click on the Complimentary Photography Galleries to select the photos you’d like.

2. When prompted, choose to purchase “Downloads” of your selected photographs.

3. Upon checkout, look for the above box and enter the code “msucomp” and click “apply.” You may checkout as a guest, but it is highly encouraged that you register and create a reusable login.
LICENSING

The primary roles of the University Licensing Programs office are to:

- Protect the trademarks, service marks, logos, symbols and indicia that belong to the university and that are associated with the values and traditions of Michigan State University.

- Promote the university in a consistent manner by only allowing uses by officially licensed vendors on quality products.

- Create revenues through royalty payments from licensed vendors to fund student scholarships and student programming.

In order to protect the university’s intellectual property, comply with the university’s graphic standards and determine if royalties are required to help support student scholarships and programming, it is necessary for alumni clubs to seek authorization from the University Licensing Programs office.

Steps for approval for all promotional items and/or merchandise:

1. Select a licensed vendor that will be producing your MSU merchandise.
   a. Licensee/Vendor information can be found at licensing.msu.edu
   b. A list of vendors can be found online at licensing.msu.edu. Under the “Fans” tab, please click on “Alumni Chapters.”

2. Choose the design you plan to use and create an electronic copy.

3. Complete and submit the Licensing Authorization Form along with your artwork to University Licensing Programs for review — final approval will be given directly to your vendor. The Licensing Authorization Form can be found online by visiting licensing.msu.edu. Under the “Fans” tab, please click on “Alumni Chapters.”
   a. It is important that you fill out the form completely and specify how you intend to use the items ordered.
   b. Don’t worry about getting the TMs and ®s in the correct spot, Licensing will take care of that with your vendor.

A 12% royalty is required for organizations ordering MSU-embellished items not paid for by university funds. These royalties will be included in your quote by your licensed vendor. With your purchase of licensed merchandise for your organization the royalties added will support student scholarships and student programming at the university.

For a complete overview of University Licensing Programs go to: licensing.msu.edu/fans/alumni-chapters.html

For questions related to using a licensed vendor, please contact the licensing office by phone at 517-355-3434, or by email at licensing@union.msu.edu.
