BE A PART OF SOMETHING BIG!

What do you get when you combine MSU faculty and staff, alumni and their grandchildren? One amazing experience in the form of Grandparents University, MSU’s intergenerational program showcasing MSU to future Spartans. Guests stay on campus for this three-day, two-night program and take classes taught by MSU faculty and staff — all while building memories to last a lifetime. We invite you to be part of this unique program by volunteering to teach one or more sessions.

My grandson and I had a fabulous few days on campus at Grandparents University again this year. Big thanks to you and your staff for making the experience so positive! Next year my next oldest grandson is planning on joining us and he is totally stoked because of the rave reviews from his older brother. Your hard work is greatly appreciated and I am sure that many others would agree!
