Being selected to represent Michigan State University on the 2018-2019 Homecoming Court is considered one of the highest honors for MSU seniors. We are looking for current MSU juniors who best represent the diversity and richness of the Spartan experience and who will serve as exceptional role models and Spartan Ambassadors during the summer and fall of 2018 and spring of 2019.

This year, 10 students will be chosen to represent Michigan State University as members of the Homecoming Court. These individuals are selected by a judging panel consisting of staff, faculty, students, and alumni/community leaders. The court members are chosen based on their ability to exemplify the qualities of leadership, spirit, integrity, and achievement through their academic success, contributions, and involvement at Michigan State University. Additionally, court members are expected to serve as positive role models, maintain a positive attitude, and act graciously and ethically during all official functions.
