

BACKGROUND REVIEW AND AUTHORIZATION FOR RELEASE OF PERSONAL INFORMATION

I would like to represent Michigan State University (MSU) as a member of its Homecoming Court. To assess my candidacy, I understand that the Homecoming Court Advisor(s) will need to have open access to records about me that are maintained within MSU, including the Registrar's Office, MSU Student Life and the MSU Police Department. I understand that the presence of a record does not necessarily disqualify me; each situation is assessed on an individual basis. I understand that the Homecoming Court Advisor(s) may make further inquiries, as they deem appropriate, based on the information that is disclosed in records that are pertinent to me.

I understand that I must read and sign this Release as a condition of my nomination being considered. I may direct any questions I may have to Homecoming Court Advisor Natisha Foster (adamsna2@msu.edu) or Erik Maillard (maillar2@vps.msu.edu)

I (*print full legal name*), _____, authorize the Advisor(s) and any other MSU Homecoming Committee agents to secure, review and disclose all records and information concerning me, including records that are public, private, confidential and/or privileged nature, to agents of the MSU Homecoming Committee.

I understand that information obtained by a personal history background review that becomes known, directly or indirectly, during the review and assessment of my candidacy will be considered in determining my suitability to serve as a member of the MSU Homecoming Court. I promise that I will not seek to hold anyone who furnishes such information legally accountable in any way, and I release all such persons from any claims and liability in this regard.

I understand that personal information obtained hereunder is solely for the purpose of reviewing and assessing my candidacy for the MSU Homecoming Court and will be kept confidential. Only authorized agents of the MSU Homecoming Committee will have access to the information. I understand that the authorization I here provide covers ongoing review of activities and information disclosed in the course of conducting this background review.
