Oceania Cruises may modify the cruise itinerary up to and during the voyage.
QUEBEC CITY, QUEBEC
Surrounded by several miles of granite walls dating back hundreds of years, Quebec City’s Old Town exudes an old-world European charm. Its elegant squares, a wonderful “joie de vivre,” and winding cobbled streets could just as well have been lifted right out of France. Architectural gems abound, such as the iconic Château Frontenac, the enlightening Musée de la Civilisation, and the Parliament Buildings, whose designs were inspired by the Louvre.

CORNER BROOK, NEWFOUNDLAND
Start by taking in the breathtaking view from the monument honoring Captain James Cook, the first to map the area in 1767. More history awaits you in the Corner Brook Museum and its marine artifacts, forestry exhibits, and collections from aboriginal peoples.

CHARLOTTETOWN, PRINCE EDWARD ISLAND
Trace the birth of Canada where it happened in 1864 on the waterfront in what is now Founders’ Hall. The past also comes alive along historic Great George Street. Don’t miss the Neo-Gothic St. Dunstan’s Cathedral or the Confederation Centre of the Arts to see the original manuscript of the beloved Anne of Green Gables, which was set on Prince Edward Island.

SYDNEY, NOVA SCOTIA
Historic Sydney boasts several landmarks from the late 1700s, such as the colonial Cossit House and the Jost House, which features an unusual beehive bake-oven. St. Patrick’s, the city’s oldest Catholic church, doubles as a fascinating museum.

HALIFAX, NOVA SCOTIA
Founded by the British in 1749, Halifax still has a British military air about it. At the Halifax Citadel, a star-shaped fortress where the guides wear military uniforms, a ceremonial gun is fired every day at noon. Discover seafaring history at the Maritime Museum of the Atlantic, host to a massive collection of ship models, portraits, and logs.

SAINT JOHN, NEW BRUNSWICK
Explore Canada’s oldest continuing museum, the New Brunswick, where displays include the skeletal remains of a rare North Atlantic right whale. Saint John is also known for the bizarre Reversing Falls, a daily tidal phenomenon so severe it reverses the flow of the Saint John River. Birders will enjoy serene Irving Nature Park.

BAR HARBOR, MAINE
Established in the 19th century as New England’s premier summer resort city, Bar Harbor was originally called Eden. It’s still a seaside paradise, especially for lovers of the outdoors. Consider a hike through Acadia National Park, behold the sweeping vistas from Cadillac Mountain, and watch for migrating humpback whales. The Wabanaki Indian exhibits in the Abbe Museum are also fascinating.

ROCKLAND/CAMDEN, MAINE
With over 10,000 works in its collection, there is always something new on view at the Farnsworth Art Museum in Rockland. Down the road in Camden, a short drive up Mount Battie offers an amazing view of Penobscot Bay. Another great find is Camden’s town park, designed by Frederick Law Olmsted, the visionary behind New York City’s Central Park. Keep an eye out for authentic 19th-century schooners sailing Penobscot Bay, many of which are National Historic Landmarks.

NEWPORT, RHODE ISLAND
This charming, renowned New England resort city is home to spectacular coastal scenery and awe-inspiring architecture. Tour some of its famous Gilded Age mansions, such as the opulent Vanderbilt Marble House; or for a different view of the mansions, take the scenic Cliff Walk. The rocky shoreline is also dotted with lighthouses, including the granite Castle Hill.

Shore excursions are not included. In each port of call you may select from a variety of optional shore excursions for an additional charge, some of which are referenced in the descriptions above.

Go Next will offer a unique collection of Oceania Cruises shore excursions; available for purchase approximately 4 months prior to departure.
