Nature’s Kennel is located in the Eastern Upper Peninsula of Michigan and is home to 160 magnificent Alaskan Huskies. Both Ed and Tasha are well-accomplished mushers and Ed has completed seven Iditarod Trail Sled Dog Races.

This unique winter adventure offers you the opportunity to drive your own dog team or to take a ride with the sled dogs of Nature’s Kennel. Also included is a presentation about Nature’s Kennel and how Ed and Tasha went from MSU graduates to business owners. You will go behind the scenes as you learn about this extremely unique business. You will also have the opportunity to enjoy a bit of Upper Peninsula winter splendor with a trip to Tahquamenon Falls State Park where Park Naturalist and MSU alum Theresa Neal ’03 will lead you on a private snowshoe hike. You will also learn about the Eben Ice Caves and Pictured Rocks National Lakeshore from MSU alum Steve Tchozeski ’77 of Great Lakes Geoscience.
