Join alumni and friends for this unprecedented travel opportunity!

**Dear Alumni and Friends,**

We are pleased to invite you on a Cuban journey of discovery. For more than five decades, travelers to this vibrant Caribbean island have been inspired by its art, music and magnificent nature, but now is the time to return — the more than 100,000 members of the MSU Alumni Association are making arrangements to visit Cuba’s culture and history. This trip is a rare opportunity to experience Cuba as it is today, in the context of its relationship to the U.S.

**Cuba and the Arts**

Cuban artists have nurtured self-expression with little outside influence. A mix of African, indigenous and European influences, these artists have brought together the world’s cultural evolution into Cuba’s own forms of painting, music and dance. Among the most famous creations of this artistic incubator are salsa dancing and privately owned restaurants.

**Travel Insurance**

We strongly urge you to purchase travel insurance. Travel insurance information will be sent to you prior to your confirmed reservation from the MSU Alumni Association.

**Cuban Cuisine**

A classic Cuban state meal includes black beans and white rice, served with a paste of garlic, peppers, onions and lime, known as sofrito. It is accompanied by the main course and offered as a side dish at every meal. Cubans are proud of their cuisine, and insist it is simply the best in the world.

We are pleased to invite you on a Cuban journey of discovery. For more than five centuries, travelers to this Latin American island have been inspired, yet recent events have made it easier for U.S. citizens to experience life on this beautiful island.
