No refunds are possible in the event of a trip cancellation or reduction in the number of travelers. All payments made are nonrefundable. Any payment to AHI International constitutes your acceptance of the terms and conditions, as well as your agreement to be bound by the terms and conditions stated in the itinerary. ALL TRAVELER FUNDAMENTALS and CANCELLATION POLICY ED900.01 should be reviewed prior to departure.

MOBILITY AND FITNESS TO TRAVEL

The nature of the travel activities, the degree of independence required, and the geographic setting of the program make the Italian Riviera unsuitable for travelers who are fit and able to assist themselves, and who will be totally responsible for providing all required assistance. The traveler must be physically and mentally capable of keeping up with the pace of the group. The traveler must be capable of ascending and descending stairs, and being able to walk on uneven paths for long periods of time. A traveler may not be able to join any part of the itinerary if the traveler’s mobility and fitness are insufficient.
Dear Alumni and Friends,

We invite you to explore the Italian Riviera, where nature and culture come together in harmony. Cruise the lively waterfalls and beaches of Genoa, stream through picturesque towns, and marvel at the historic and architectural wonders that have made it a UNESCO World Heritage Site.

This trip combines the security, ease and value of group travel with opportunities for independent exploration. Space on this event is limited to 36 travelers. Make your reservations today!

Dear Alumni and Friends,

We invite you to explore the Italian Riviera, where nature and culture converge harmonously. Cruise over theylinder-like rocks from Genoa’s beach, stroll through picturesque towns, visit some of the world’s most beautiful and ornate churches, and savor the rich seafood and fruits served on board and in the local restaurants and markets. Our tour itinerary includes a variety of excursions that will enhance your appreciation of the customs and traditions of the Italian Riviera and its people. Our educational program features expert speakers and is the hallmark of our non-profit campus travel programs.

Your trip will begin in Florence, where you will tour the Uffizzi Gallery, the Duomo, and the Piazza della Signoria. From Florence, you will travel to the coast and spend three nights in Cinque Terre, the most scenic spots in Italy. You will begin your journey in La Spezia and travel by train to Vernazza, the most popular of the five towns. We will then travel to the port of La Spezia and embark on a cruise. As you sail, you will have the opportunity to try local seafood and visit the islands of the Cinque Terre. You will have the opportunity to explore the medieval city of Genoa, a UNESCO World Heritage site, and visit the Galleria Palladiana, which houses one of the largest collections of early Renaissance sculpture and art in the world. The highlights of the tour include the magnificent Ligurian Riviera, where you will visit the cities of Genoa, La Spezia, and San Remo.

A special note to our guests with special needs:

• Wheelchair users (1721-1771), and all persons with permanent or temporary disabilities, must be accompanied by someone to assist with mobility. Travel insurance information will be sent to you with your confirmation letter from the MSU Alumni Association.

Please see your advisor of the program for further details.

Yours sincerely,
